Operations by Three or Four Traders in a Handful of Stocks Make Up the Market.

Make Up the Market.

NEW YORK, April 6.—The announcement of the Eric financial plan, which was made after the stock market had closed on Saturday, was without effect to-day, unless the torpid state of the frading was influenced by the announcement. The spasmodic jump in prices of stocks on Saturday was accepted as in some sort an expression of opinion on the Eric plan, so far as perfected, and this added to the distinctination to extend the movement.

Operations by three or four traders of the more active class and in a hundrid of stocks practically made up the whole market. The price of copper made some recovery in London, and the effect was good on the group of copper industrial stocks. Rallroad traffic officials expressed some increased confidence in the growth of traffic, but they had no actual increase in the movement to report. Advices of winter wheat condition continued favorable, with substantial sustaining effect on prices of stocks. Foreign exchange rates here were practically unchanged, and demand for money on time was so slight as to offer little opportunity for placing funds. Bonds were irregular. Total sales, par value, \$1,339,000. United States 2s. registered, declined 1-8 per cent, on call. Total sales, 293,800 shares.

Former State Senator Thomas N. Williams, of Mecklenburg, is in the city. Mr. Williams is a prominent lawyer and is chairman of the Democratic committee of his county. He is here on legal business and is stopping at Murphy's.

Mr. Henry Z. Rees, of the Jefferson Hotel, will leave Richmond early in June to accept the management of the Harris Springs Hotel, in South Carolina. The hotel is a popular resort in the Pledmont region, the water being the particular drawing card. Mr. Rees was with the Pledmont Hotel, in Atlanta, for a number of years, and is familiar with the new duties which he will be called upon to perform.

Hal Chase, of the New York Baseball Club, is at Murphy's.

Hon. L. P. Stearnes, a prominent citizen of Newport News, who has served several terms in the House of Delegates, is in the city, accompanied by Mrs. Stearnes. Mr. Stearnes is in fine spirits over the great victory his sonin-law, Judge Clarence W. Robinson, way before the legislative caucus to gates, is in the city, accompanied by Mrs. Stearnes. Mr. Stearnes is in the spirits over the great victory his sonin-law, Judge Clarence W. Robinson, won before the legislative caucus to succeed Judge Blackstone on the bench of the Eleventh Judicial Circuit. It is a well known fact that Mr. Stearnes's personal popularity had a great deal to do with the result. When in the Legislature he was always ready to do his colleagues and friends a favor, and when he appealed to them in the recent fight they railled to him cheerfully and assisted him in landing the honor for Judge Robinson.

Mr. Stearnes is considering the question of running for the Legislature two years hence, though he said last night that he would not definitely determine the matter for some time. In speaking of the personnel of the delegation from Virginia to the Democratic convention he suggested the foliowing as the four delegates at large: Senators Daniel and Martin. Governor Swanson and former Governor J. Hoge Tyler. He is a personal friend of all four. Mr. Stearnes is a former resident of the Southwest, and he still owns some fine farms in Pulaski county, near those of Governor Tyler.

FOR ROBBING THE DEPOT.

Arrest of Second Negro Charged With This Offence. [Special to The Times Dispatch.]
BOYDTON, VA., April 6.—Town Sergeant Tuck, of Clarksville, brought here on Saturday, Ephraim Carrington, colored, who is charged with robbing

the depot of the Southern ratiroad at Clarkaville. Buck Owen, who is also charged with the same offence, was arrested some time since. Much credit is due officer Tuck, who, although the offence was committed some time ago, and Carrington had fled from the county, the officer followed him up and he was finally located in Danville, where the arrest was made.

Edward Russell, colored, was brought bere on the same train with Carrington by Constable R. T. Elam, charged with knocking Clem Green, also colored, in the head with a stone at Buffulo Junction. Mr. Elam said Green had been unconscious since he was hit, and had been taken to the hospital.

COMING OF COURT DAY DRAWS A BIG CROWD,

EMPORIA, VA., April 6.—The "old court day" in Virginia is a fixture, and like the country editor, it is here to

stay.

This fact was emphasized to-day if This fact was emphasized to-day in Emporia, as one of the largest crowds over assembled "at an April court" was seen here. At an early hour this morning vehicles, from the cart to the carriage class, were seen approaching from every point of the compass, and by 9 o'clock the town was in a state of acute human congestion. It was a rare spectacle, and the prediction is made that at no distant time the county court will be resumed throughout the State.
